

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In Re Application:

William P. Niedermeyer

(Art Unit 3749

Serial No. 10 / 712088

(Examiner: James C. Yeung

Filed: 11/14/2003

(Paper No. 4

Title : Solar Collector for Heating Air

Commissioner for Patents
P.O. Box 1450
Alexandria, Va. 22313-1450

Dear Sir,

April 27, 2004

Please enter the enclosed Amendment (# 2) responsive to the
Examiners paper of April 21, 2004.

Marked up copies of amended claims include parenthetical
expressions (amended) in claims 1, 3, 5, 6, 12, 14, 17, 18, and 19.

Amended claims represent changes from the claims on record,
including original claims filed in the application as modified in Paper No 2
mailed March 1,2004.

The amended claims are responsive to the examner's comments of
April 21 regarding antecedents for the claims, and the applicant deems the
amended claims fully responsive.

If the examiner has further comment on suggested changes, my
home phone No. is 920-468-3303. (no answering machine). I'm usually in
my home office between 9:45 AM and 12:30 PM (Washington time)

Respectfully Submitted

April 27,2004

William P. Niedermeyer
